

Families who fundraise

“ CHAS has been there for our family in good times, but also some of our hardest times. I am extremely proud and humbled to know I will be helping families like ours through their own best and worst times. ”

- Richard, Dad

Children's Hospices Across Scotland (known as CHAS) is a Scottish charity, SC019724, regulated by the Scottish Charity Regulator (OSCR)

Your fundraising, your way.

We have CHAS events throughout the year that you can be part of, or you can organise your own fundraising efforts.

Some ideas:

- Take part in a CHAS Challenge Event www.chas.org.uk/events
- Take on your own challenge – a marathon, a knitathon, anything you can imagine!
- Host an event in your community – quiz nights, bingo, bake sale etc.
- Ask for donations to your fund on special occasions, such as birthdays.

We will support you every step of the way.

How we can help:

We can help you raise more, feel supported, and have fun along the way.

- **Our resources are your resources.** T-shirts, banners, posters, balloons, collection cans and more - tell us what you need.
- **Our digital expertise.** Setting up online giving pages, QR codes for your events, even contactless payment devices. We can be your techies.
- **Your fundraising guru.** Helping you make the most of your fundraising efforts with our knowledge, support, tips and tricks.

Fundraising is a beautiful way to honour your child's life, and to help other families get the care and support they need. Whether this is something you are ready to do now, or years from now, we are here for you.

A lasting legacy

“ The life of every single child has a long-lasting impact on family, friends, and everyone around them. Both while they live, and after they have died. We respect every family's choice in how they celebrate and remember their child.

Some families tell us that fundraising is one way to keep a child's memory alive. While it's not everyone's chosen path, for some it offers a way for the whole community to come together, remember, and share with those who have walked a similar road.

If you think raising funds for CHAS is something that would be helpful to you, get in touch. ”

The _____ Fund

If you would like to fundraise in your child's name, you can set up a fund.

The **AVA** Fund

What is a fund?

A fund is a record of any money raised in your child's name.

How do I set one up?

It's quick, and it's easy. Your local community fundraiser can help you create your fund - email teamCHAS@chas.org.uk and we'll connect you.

How do I raise funds?

You can raise funds however you want. There's no pressure to raise a certain amount or continue for any length of time.

Keeping track

Simply ask anyone who is fundraising to name the fund whenever they send donations to us, and we will keep track of your child's legacy at CHAS.

Thank you for considering fundraising for CHAS

“ We started Ava's fund so that family and friends could donate. It was a way of saying thank you for supporting our family. Sadly Ava passed away in 2022, but we were determined to keep this going in her memory. As a family we have great fun bringing people together to celebrate Ava's life, and everyone feels great that they are able to do something. ”

- Fiona, Mum
